

# *King Robert's Arrival*

## WINTERFELL BANQUET

(Inspired by the official Game of Thrones cookbook)

### **Break Bread & Salt**

*"A maiden girl could walk the kings road in her name day gown and still go unmolested, and travelers could find fire, bread and salt at many an inn and holdfast"*

### **Roasted Boar**

*"Sansa," Lady Alerie burst in, "you must be hungry. Shall we have a bite of boar together, and some lemon cakes?"*

### **Salad of Castle Black**

*"All the while the courses came and went. Salads of sweetgrass, spinach and plums, sprinkled with crushed nuts."*

### **& Medieval Buttered Roast Vegetables**

*Followed by*

### **17<sup>th</sup>-Century Baked Apple & Blackberry Pie**

Wash it all down with pitchers of fine wine from the Winterfell Castle cellar and exclusive 'Winterfell Craft Beer' from the Castle brewery

*"Eat hearty, my friends. Winter is Coming"*

Please Note - This menu may vary depending on availability of seasonal produce

*This experience is independently operated by the Peak Discovery Group. It is not sponsored, endorsed or affiliated with HBO, or anyone associated with Game of Thrones.*
